11th January 2022

This week's statement to live by: "I try to follow our school and classroom rules".

All School Masses have been cancelled until further notice.

After school clubs will commence again w/c 17th January (guidance permitting).

A final reminder that the cut off for applying for a first time school place is January 15th 2022. To apply visit www.leicestershire.gov.uk/school-admissions. A supplementary form (and copy of Baptism certificate) should also be submitted to the school office. This is available to download from our school website. If you have any queries, please do not hesitate to contact the office. Thank you.

After school tuition commences this week for selected groups on Mondays and Tuesdays until 4pm. These sessions will run for 7 weeks until w/c 28th February 2022. Year 6 Boosters start next week also for chosen pupils.

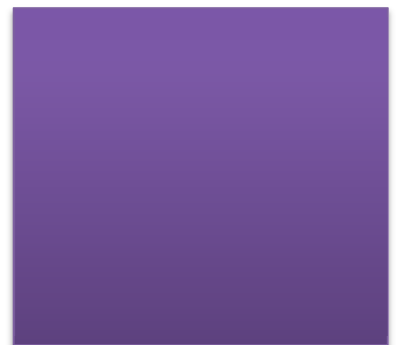

A reminder that Year 3 swimming payment is due, please pay on ParentPay as soon as possible, thank you.

After-school Sports Clubs will commence next week (w/c 17th January). All slips should be returned to the office by this Friday to secure your child's place.

Year 6 - don't forget to return your Study Book reply slips if you would like to purchase them through school. Orders will be placed next week.

Diary Dates

Wednesday 12th January - Year 6 SATs Presentation to Parents via Zoom at 5.30pm.

Coronavirus

Anyone who now receives a positive lateral flow test but has no COVID-19 symptoms will no longer have to take a PCR to confirm the result. This will be effective from Tuesday 11 January.

All adults who are fully vaccinated and children aged 5 to 18 years and 6 months, identified as a contact of someone with COVID-19, should take a lateral flow device (LFT) test every day for 7 days instead of self-isolating.

If the test is negative, they can continue to attend their education setting & continue testing for the remaining 7 days.

If the test is positive, they should self-isolate and if no symptoms follow the guidance below.

If the PCR test is positive, the self-isolation period includes the day your symptoms started (or the day you had the test, if you do not have symptoms).

When to stop self-isolating:

- You can stop self-isolating after 7 days if you complete an LFT test on days 6 and 7 of your self-isolation period and: both tests are negative

- You did both tests at least 24 hours apart

- You do not have a high temperature

If you complete an LFT on day 6 and test positive, wait 24 hours before you do the next test, you must have 2 negative LFT result 24 hours apart before you can stop isolating. If you are unsure, please do not send your child in, until you have checked with our office staff.

Remember - You must book and take a PCR test if you have symptoms!

Many thanks with your continued support, we wish to keep all our pupils and staff safe, please follow the guidance and be vigilant.
