General Knowledge

The Tudor Rose

- Created when Henry VII brought an end to the Wars of the Roses (an ongoing battle between two royal groups - the House of Lancaster and the House of York).

Tudor Houses

- The houses had a wooden frame with walls made from "wattle and daub" - a building material consisting of wooden strips covered with mud, clay and wet soil. The walls were then painted white giving what is known as "the black and white effect".

Jobs

- Jobs that people would have had in Tudor times include being a butcher, baker, weaver, fishmonger (catching and selling fish), tailor, blacksmith, shoemaker and washerwoman.

Food

- Rich and Poor Tudors would have eaten different types of food. Poor Tudors would have eaten pottage and other foods they could grow. Rich Tudors would eat lots of meat and eat foods that merchants brought in, e.g. sugar, spices, almonds.
