

Year: 3	Date: Advent 1	Subject: Art & DT
---------	----------------	-------------------

National Curriculum Objectives:
 ART -
 Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.
 Pupils should be taught:

- to create sketch books to record their observations and use them to review and revisit ideas
- to improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials [for example, pencil, charcoal, paint, clay]

Links to previous year groups and topics:
 EYFS – pencil, paint work – early introduction of techniques. Year 1 – Mixing paint colours, pencil drawings – winter scenes, outdoor sketching. Year 2 – pencil sketches – Florence Nightingale, Van Gough Sunflower sketching, butterfly paintings.
