Unsure whether to send your child into school or not? With winter fast approaching, it can be hard to know whether to send your child into school or not.

It is usually appropriate to send children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose, or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. Follow the link for further information on when it is appropriate to send your child to school. ### Free School Meals/Pupil Premium

The school receives funding to help pay for staff to support children's learning as well as resources for pupils who receive free school meals and or pupil premium. Pupils who are eligible receive a free hot meal, access to free school uniform, free school trips and discounted residential trips as well as an allowance to spend on after school clubs etc. During this cost-of-living crisis we are all experiencing, it is important to get access to any extra funding you may be entitled to.

If you think you may be entitled to support, please call 0116 305 5417 or email
