Literacy

We will continue our daily Phonics sessions to support children's fluency with sounds recognition and blending. We will share and retell stories also to support our communication and language skills.

Please support your child with this at home, as well as other important areas such as: sharing stories together, good pencil control, writing their name, listening for/writing the initial sound in words, writing the sounds they have learnt to attempt to form words.

P.E.

Please continue to send your child in school joggers on a Wednesday and Friday so that it is easier for them to change into their PE kit.

Clothing

Please continue to send your child every day with a cardigan/jumper, coat and appropriate footwear, particularly now the weather is beginning to get colder. If you would like to send in a pair of wellington boots to stay in school, we can store them.

Please also encourage your child to get dressed independently at home, including putting on their own coat.

Maths

We will be looking at: comparing size, mass and capacity; exploring simple patterns; finding, subitising and representing numbers; one more and one less; the composition of numbers; shapes in the environment and many more areas. Please support your child with counting and number formation.

As always, your support and interest in your child's education will only help to maximise their progress and if you have any questions or concerns, please feel free to contact me via Dojo or in person on the gate. Furthermore, if there is anything you need help or support with, please remember that we as a school are here to help.
