All parents welcome to attend in the school hall.

## Literacy

We will continue our daily Phonics sessions to support children's fluency. We will share and retell stories also to support our communication and language skills.

Please support your child with this at home, as well as other important areas such as: sharing stories together, good pencil control, writing their name, listening for/writing the initial sound in words, writing the sounds they have learnt to attempt to form words and having a go at writing short sentences using their knowledge of Phonics.

## P.E.

Please continue to send your child in school joggers on a Wednesday and Friday. We are focusing on travelling and dance.

## Clothing

Please continue to send your child every day with a cardigan/jumper, coat and appropriate footwear, particularly now the weather is colder.

Please also encourage your child to get dressed independently at home, including putting on their own coat.

Thank you all for your continued support.

Miss Duffy
