

EYFS - Pentecost 1 Newsletter

Dear Parents,

Welcome back to school once again! We hope you have had a happy and peaceful Easter.

Topics

Our upcoming topics are:

- Traditional Tales
- Kings and Queens
- Friends
- Machines and Transport

As always, if there is anything you can contribute to these topics in knowledge or resources, we would be very grateful.

Our RE topics are

- Good News
- Friends
- Our World

Maths

We will be continuing to follow White Rose Maths and covering a range of topics. Our yearly overview can be found on our school website page. Please continue to explore number, shape, and pattern in a variety of ways at home to support their learning.

Events

As always, you will be updated of any events through the office newsletter and ClassDojo so please ensure you are checking for updates regularly.

Literacy

We will continue our daily Phonics sessions which aim to support both the children's reading and writing fluency.

We will regularly share and retell stories also, to support communication and language skills.

Please support your child with their reading at home, recording in their red link books.

Writing will also be a real focus this term, encouraging *independence* and nurturing a love of writing. You can support by taking your child through the writing process and working out how to write words together, listening to the sounds that can be heard.

P.E.

You may continue to send your child in school joggers on a Wednesday and Friday however they are required to wear school shoes each day, not trainers, as they change into their plimsolls for PE sessions.

Clothing

Please continue to send your child every day with a coat that is appropriate for the weather.

We kindly ask that you please ensure your child is ready to enter school at 8:45 each day. We have a soft start in the morning so that the children can get settled and are ready to begin their first lesson at 9am, therefore late arrivals do cause a lot of disruption.

Thank you all for your continued support.
Miss Duffy
