<p>Understanding The World</p>	<p>Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them from visiting parks, libraries, and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.</p>

EYFS Long Term Curriculum Map

Expressive Arts and Design	<p>The development of children’s artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. We will give children an insight into different music genres and encourage them to listen attentively to discuss changes and patterns as a piece of music develops.</p>					
Music Leicestershire Music Hub	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	<p style="text-align: center;">Pulse</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can imitate movements in response to music • I can keep a steady pulse with some accuracy (eg clapping, marching, tapping) • I can explore, respond and identify long and short sounds. • I can create a piece of music using long and short sounds. • I can comment on my own and other people’s performances. 	<p style="text-align: center;">Voice</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can sing songs, which contain a small range of notes (2 or 3 notes for example). • I can take turns when singing and be a good listener. • I can perform actions to accompany songs. 	<p style="text-align: center;">Rhythm</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can explore rhythm through play • I can begin to use pictures and images to represent sounds • I can keep a steady pulse with some accuracy while playing • I can begin to recognise changes in tempo • I can talk about my own and other children’s performances 	<p style="text-align: center;">Pitch</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can recognise and broadly control changes in pitch using my voice (2 different pitches) and movement • I can use my voice to show different emotions through pitch • I can comment on and respond to recordings of my own voice and changes in pitch. • I can follow a graphic score to create music with different pitches. • I can sing 2 pitches in tune 	<p style="text-align: center;">Technology, Structure & Form</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can comment and respond to recordings of my own voice and other classroom sounds. • I can record sounds using technology and use the sounds in songs • I can use graphic symbols to help me remember sections of songs • I can begin to make comments about my own and other’s performances 	<p style="text-align: center;">20th Century Music</p> <p>Learning outcomes covered:</p> <ul style="list-style-type: none"> • I can identify and perform features of country music. • I can identify and perform features of big band music. • I can identify and perform features of beatboxing. • I can create and practice a piece of music using features of different genres. • I can comment on my own and other people’s performances.
	<ul style="list-style-type: none"> • Children attend whole school assemblies with music, singing and hymns, often learning them for our frequent visits to Church • Children listen to older children perform singing and instrumental pieces in assembly and take part in their own musical performance during our Music assembly

	Circles, 1913 Transverse Lines, 1923		Artwork inspiration: Number 18, 1950 Drip Painting, 1951		Stack, 1973 Hedge, 2015	
Design Technology	Creation stations available all year round – resources are changed Drawing what they have made, with some children drawing their ideas before they make them and then evaluating through discussion					
		Being actively involved in creative projects linked to their interests. Making choices about which materials and techniques to use to achieve their end goal. Using glue and tape to join flat materials together. Opportunities to build on large scale outdoors and den building from variety of resources. Product: Create a rocket		Developing the skills to use a varied range of joining techniques e.g. gluing, weaving, hole punching and threading. Developing more complex tearing and folding. Product: Create a plant pot of flowers on cardboard		Developing practical skills and techniques using a range of materials including food, textiles and construction materials Product: Create a
Characteristics of Effective Learning	<p>Playing and exploring: -Children investigate and experience things, and ‘have a go’. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning</p> <p>Active learning: -Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges, and learn persistence.</p> <p>Creating and thinking critically: -Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
Overarching Principles	<p>Unique Child: Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>Positive Relationships: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone –embrace each community.</p> <p>Enabling environments: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>Learning and Development: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p>					

EYFS Long Term Curriculum Map

<p>Fine Motor</p> <p>Children take part in fine motor activities depending on their stage of development, these range from placing objects & tweezing to letter formation and name writing</p>	<p>Threading, cutting, playdough, focus fine motor activities. Manipulate objects with good fine motor skills Draw lines and circles using gross motor movements Hold pencil/paint brush beyond whole hand grasp Pencil Grip</p>	<p>Threading, cutting, playdough, focus fine motor activities. Develop muscle tone to put pencil pressure on paper Use tools to effect changes to materials Show preference for dominant hand Engage children in structured activities: guide them in what to draw, write or copy. Teach and model correct letter formation.</p>	<p>Threading, cutting, playdough, focus fine motor activities. Begin to form letters correctly Handle tools, objects, construction and malleable materials with increasing control Encourage children to draw freely. Holding Small Items / Button Clothing / Cutting with Scissors</p>	<p>Threading, cutting, playdough, focus fine motor activities. Hold pencil effectively with comfortable grip, encourage children to practise forming recognisable letters during handwriting activities Pattern tracing and anticlockwise drawing practice</p>	<p>Threading, cutting, playdough, focus fine motor activities. Develop pencil grip and letter formation continually Use one hand consistently for fine motor tasks Cut along a straight line with scissors / Start to cut along a curved line, like a circle / Draw a cross</p>	<p>Threading, cutting, playdough, focus fine motor activities. Form letters correctly Copy 2D shapes Begin to draw diagonal lines, like in a triangle / Start to colour inside the lines of a picture Start to draw pictures that are recognisable / Build things with smaller linking blocks, such as Duplo or Lego</p>
<p>Gross Motor Changing for PE. Develop good personal hygiene. Provide regular reminders about thorough handwashing and toileting.</p>						
<p>Children have access to the outdoor area and playground where they take part in chasing games, ball games, bikes, scooters, climbing equipment, large scale water, large scale mark making</p>	<p>Gymnastics – developing overall body strength, control and co-ordination using floor mats and gymnastic equipment Children can climb, balance, hold shapes and jump with control using large apparatus</p>	<p>Dance – developing to move with control and co-ordination including wriggling, rolling, balancing, jumping, skipping, twirling, turning, spinning, hopping, swaying creating patterns of movement and movement to music</p>	<p>Game Skills – developing co-ordination and control using sports equipment. Children will learn to control, balance, throw and catch bean bags with themselves and with a partner.</p>	<p>Net/wall Games - Children will begin to develop controlling large and small balls with their hands, feet and with bats and hockey sticks</p>	<p>Athletics – jumping, running, skipping, racing, throwing and aiming, relay activities and obstacle courses</p>	<p>Invasion Games – Children build on their control of large and small balls to incorporate aiming and shooting for football & hockey scoring games</p> <p>Sports Day</p>
<p>Our Values</p> <p>Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain valuing our community and celebrating diversity of the UK. Fundamental British Values are not exclusive to being British and are shared by other democratic countries. Our children's rights are learned, taught, practiced, respected, protected and promoted every day.</p>						

EYFS Long Term Curriculum Map

<p>Mutual Respect We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned, respected, and celebrated.</p>	<p>Mutual Tolerance Everyone is valued, all cultures are celebrated, and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith.</p>	<p>Rule of Law We all know that we have rules at school that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary.</p>	<p>Individual Liberty We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different.</p>	<p>Democracy We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We can play with who we want to play with. We listen with intrigue and value and respect the opinions of others.</p>
